Four seats have sponsors so far, North Lincolnshire Council will support the Town Council to complete this project within the timescale recommended. Members were also advised the wooden seat on Brigg Road at the town boundary was damaged and would cost £70 to repair. It was agreed to accept these items.

Members discussed the request from Barton Rotary Club and people who currently help to clear the War Memorial. Members agreed they prefer the bricks currently there to asphalt which can also crack and have weeds growing. The plastic notices placed on the Memorial during the Remembrance Day Service by local children were mentioned, as some are coming adrift. Councillors agreed to collect them and place in a binder on site. It was also agreed to send a letter of thanks to Mr Longbottom who always ensures the wreaths are secured to the Memorial after the Service and clears them away each year.
