LOCAL NEWS AND VIEWS

FROM BARTON TOWN COUNCIL

ISSUE NUMBER 75 *Please support your local shops and businesses* JULY 2018

22nd Annual Barton Bike Night Saturday 14th July - 4pm to 9pm

The committee is well underway organising one of the biggest Bike Nights in Europe – Barton’s own unique annual ‘Bike Fest’ based on the same successful format as in previous years staged around the many town centre streets closed to general traffic for the event.

We are pleased to receive financial support from the Town Council and main sponsorship from Wren Kitchens as well as commercial sponsorship from Paul Fox Estate Agent & Euronics along with the pubs, cafes, food outlets and local businesses supporting the event. Barton Rotary, Barton Lions and Barrow Rotary along with local residents are once again marshalling with professional cover supplied by TSS Events of Lincoln.

North Lincolnshire Classic MC is providing some live action, staging the very popular Trials Display in the Cottage Lane car park along with many trade stands around the streets selling and showing motorcycle related products.

Queen Street will host the very popular show of Classic and Vintage bikes that attracts many visitors, both young and old. North Lincolnshire Council’s Mayor and the Town Mayor will be attending, judging and presenting a trophy for Best Classic Bike on show.

We are looking forward to a great night and expect several thousand visitors attending Barton to enjoy this free community event run by volunteers.

Jonathan Evison,
Committee Chairman

School friends show the Power of Friendship to Beat Rare Cancer Odds

- Eight school friends walked 147 miles over four days to raise money for one legend: Aaron Winstanley.
- Aaron Winstanley, 29 is living with terminal cancer after repeated misdiagnosis.
- Rare childhood cancer called Alveolar Rhabdomyosarcoma.
- Needs to raise £300,000 for life saving immunotherapy treatment in Germany, not available on the NHS.
- Paving the way for others with rare cancer to get access to specialised treatment.

Aaron's battle began in August 2016 when, at just 28 years old, he was diagnosed with a rare cancer called Alveolar Rhabdomyosarcoma, a soft tissue and bone cancer.

After being repeatedly misdiagnosed, by the time the cancer was detected behind his left cheek, it had spread throughout his body and the prognosis was terminal. He has been through nearly two years of gruelling treatment but the cancer is extremely aggressive.

Aaron's only chance at long-term survival is through immunotherapy which is not yet available on the NHS. This treatment needs to be obtained privately in Germany and the minimum amount needed is £300,000.

This type of treatment is becoming commonplace in other countries and has proven to be very promising for Aaron's type of cancer, but the rarity of Rhabdomyosarcoma means that it likely won't be available on the NHS for some years. As this sarcoma is most common in children, we hope Aaron can find success with this specialised treatment, paving the way for others to obtain it in the UK in the future.

Over the past two years family and friends have supported Aaron in any way they can and #AaronsBattle was born. Campaigning and fundraising for Aaron has been at full throttle during this time raising over £100,000.

Aaron's friends are already planning their next fundraiser to keep showing their support and help him to fight this battle. Friends, family and the local community have been involved in

numerous fundraising activities to increase donations and awareness and all those involved and behind the campaign are determined to do everything they can for Aaron to get the treatment he needs.

Aaron's Battle are launching a campaign in which they would like as many people as possible to donate £1 each – less than your morning cup of coffee – to the cause. They are asking for this small donation and will use the power and impact of social media to launch the campaign.

Aaron, along with his wife Saraya (aged 25) have been over to Germany for an initial consultation for the immunotherapy treatment and discussions were positive. Continued fundraising is vital to reach their target of £300,000 in order to begin this specialised treatment.

Although the doctors have told Aaron his cancer is terminal, they are not giving up hope and strongly believe if he can get this treatment it will give him many more years with the people he loves. Aaron continues to have a smile on his face and a positive attitude along with Saraya by his side. They always have and continue to appreciate the little things and make the most of every single day, no matter what it throws at them.

Aaron has said, "The support I have received has been overwhelming and it continues to grow; I truly feel like I have an army in my corner. Reminders of that are what get me through the darkest days; knowing that people believe in me keeps me strong. I just want to have

more time with my inspirational wife Saraya. She is fighting so hard for my life each and every day."

Saraya explains, "Aaron's Battle as a campaign is growing in strength every day and the support has been incredible. We have spoken to several other people who ran out of treatment options on the NHS but when they obtained specialised immunotherapy treatment are now cancer free. We are determined to make sure Aaron is one of those people. The treatment and care that Aaron has received on the NHS since his diagnosis has been amazing, and we are extremely grateful for this, but it will not give him the chance of a future. We need to continue to build on the donations and reach our target in order to give him that chance. I will never give up on him." Raising awareness and education of rare cancers is very important. It can mean the difference between life and death. Early diagnosis is vital, making it easier to treat and more likely to be curable. Change needs to happen.

Barton Rotary Club

*Doing great things in Barton
and the villages since 1977*

Barton Rotary Club has just celebrated it's 40th birthday, helping the people of Barton and the villages for over 40 years. The club was formed in 1978 with Tom Nicolson as the first President. The interim club was formed in 1977.

North Lincolnshire **Young Carers** were presented with £2,400 by Phillips 66 Humber Refinery. The money was raised at employee Dinner Dances. The Young Carers group was put forward to Phillips 66 by Barton Rotary Club who are continuing to help the many young people in our area who have to be carers for their parents.

Large quantities of **spring bulbs** were supplied and planted in Barton, Barrow, Saxby and South Ferryby, giving colourful displays earlier in the year. 1,000 Crocus bulbs were also donated to Barton Town Council

The Humber Bridge Half Marathon, held on June 24th raises money that Hull and Barton Rotary Clubs use to fund many of the projects in our area - helping many local people.

For the 6th year in succession the Barton Rotary Club supported the **Rotary Disability Games** at Hymers College. This year the club took on organising both the Rifle Shooting and Archery, supported by Hull Cartridge, Hull Target Club and Beverly Target Club. Over 200 athletes competed in both events.

Rotarians are ordinary men and women from all walks of life who have a desire to give something back to their community, whether it is locally or at an international level. If you would like to help us please make contact through our web site or any of our Barton members - we will be pleased to hear from you.

Humber Bridge Cross 2018 for CAFOD & CHRISTIAN AID

We had an uplifting day on Saturday 12 May as 100s of Christians walked together over and back on the Humber Bridges; to remember and raise money to help the millions of people in poverty, major difficulties or on the move fleeing war and persecution.

Christian Aid and CAFOD, both registered charities, work on a vast variety of projects in the many places in the world where people suffer from the effects of War, persecution, national disasters, impacts of climate change and poverty. For more information see www.christianaid.org.uk and www.cafod.org.uk.

Walkers came from Newark, Long Eaton, Nottingham, Boston, Middlesbrough, Hull, East Yorkshire, Cleethorpes, Northern Lincolnshire, Barton and elsewhere. Local members of Parliament, Martin Vickers and Emma Hardy also supported this event, walking from South and North bank respectively and sharing smiles and A handshake in the middle of the Bridge and then walking back to their own banks of the vast Humber Estuary.

The Humber Bridge Cross this year also marked the regional launch of "Share the Journey", in which Pope Francis has reminded us that "Christ asks us to welcome our brother and sister migrants and refugees with arms wide open". This is a new global campaign to stand up for the rights of people on the move, petitioning world leaders to get better global compacts on migration and refugees. Catholics world-wide have been asked to go on extra walks whilst praying for millions of refugees and log these at cafod.org.uk/sharethejourney.

The Mayor of Barton upon Humber, Councillor Nigel Pinchbeck has announced he has chosen The Samaritans to benefit from this year's Mayor's Charity Appeal. Nigel said 'I am delighted to support The Samaritans for my charity appeal. The organisation was founded by a Bartonian, Chad Varah, so there is a very strong emotional attachment with the town. Also, as part of the improvements to Baysgarth Park there will be a Chad Varah Garden, which will open this summer, and is being created not only to honour the organisation and its founder, but to provide a quiet area for people to sit and enjoy. The Samaritans are available any time to offer non-judgmental support to anyone who just needs someone to talk things through with - and that is so important, perhaps even more today than when this great organisation was founded. Over the coming year, I plan to work with the branch in Scunthorpe to promote awareness of their work in Barton to ensure everyone knows there is always someone available to talk to.

Rachel from the Samaritans said "We are thrilled that Nigel has chosen Scunthorpe Samaritans for this year's Mayor's Charity Appeal. As a branch we receive no public funding and are run entirely by volunteers. Every penny raised through this appeal will be used to ensure we can be there 24/7 to provide emotional support to anybody who is struggling to cope. We are particularly looking forward to working with Nigel to raise awareness in the Barton area".

Our Focus: Your Complete Eye Care

Myopia Control

Myopia, or short-sightedness, often becomes apparent at around the age of 10 and then progresses throughout the teenage years.

Contact lenses can be fitted to correct short-sightedness and now we can go a step further - this new range of lenses are a daily disposable lens designed to actually reduce the 'teenage' increase in myopia. A 3 year study of their impact found that myopia progressed by less than 50% compared to the control group.

This is a benefit in everyday life and is also expected to reduce the likelihood of conditions associated with myopia at older ages.

BARTON ALLOTMENT SOCIETY – SHOW TIME!

After a very slow start due to the bad weather in April, plants have begun to catch up in May with the excellent weather we have had during the middle of the month. By the time this edition is published we should have enjoyed our first few meals of early potatoes and be getting crops of broad beans and salads from the plots, as well as the ever present courgettes. If you have a glut of these there are a few hints on the more unusual ways to cook them on the allotment society web site.

(www.barton-upon-humber-alloment-society.com).

There is still plenty to do in July though if you haven't done so already, now is the last chance to sow carrots and runner beans, and salad and successional veg like beetroot and turnips can also still be sown. Fruit picking begins in earnest about now too, with plenty of raspberries and currants to look forward to. For those planning for next year, now is a good time to sow the spring cabbage.

AN INVITATION to ALL AMATEUR GARDENERS AND COOKS in the area to join in the Horticultural Show on 18 August at Trinity Methodist Church Hall on Holydyke. Exhibiting is open to all amateur gardeners and cooks in the area - no need to be an allotment holder or expert. There are Open and Children's sections in vegetables, fruit, flowers, cookery and photography. This year we are re-introducing Novice sections in vegetables, (including any wonky veg) fruit and flowers for those who have not exhibited before. So why not come along and give it a go and share your successes with people? Full details of how to enter and what to show are on our web site.

The show is open to the public, Admission Free, from 2.00pm – 4.00pm with Teas and Tombola at 2.00pm, main hall open at 2.30pm and prizes will be presented by the Deputy Mayor of Barton, Cllr John Sanderson at 3.30pm with surplus produce auctioned at 4.00pm. The show would not be possible without the support from local businesses, so a big thank you to the show Sponsor, Lindsey Relay and Wren Kitchens the individual section sponsors, the White Swan for Cookery, Benson's for the Vegetable Section, Barton Town Council for the Children's section, Gooseman's Growers, Barrow for the Schools' Potato Growing Competition, Deepdale Garden Centre and MD signs for the banners and all those who have donated Tombola prizes.

Finally we still have few vacant half plots available if you are interested in taking one on and getting ready for next year. It is still not too late to get some good crops from them this year, and at only £6.50 for the rest of 2018 a real bargain! Please get in touch if you are interested.

Illyria Theatre return for Performance in the Park

Illyria Theatre return to Barton upon Humber this August for a performance of children's favourite, The Adventures of Dr Doolittle.

Played out in the town's picturesque Baysgarth House, with Baysgarth House Museum as the backdrop, Illyria will bring to life Hugh Lofting's The Adventures of Dr Dolittle.

The internationally renowned theatre company have a long association of performing in Barton, dating back 10 years – from Roald Dahl's James and the Giant Peach and Fantastic Mr Fox through to a boisterous and farcical version of Shakespeare's The Merry Wives of Windsor.

On Sunday, August 19 they will be performing Lofting's funny, much-loved and exciting adventure, with a strong message about responsibility towards animals and the environment.

When Doctor John Dolittle of Puddleby-on-the-Marsh is taught by his wise old parrot Polynesia how to talk to animals, news of his skills spreads far and wide. Soon animals across the world send messages asking for his help. So, he buys a leaky old ship and, together with his trusty pet-crew of Jip the dog, Chee-Chee the monkey, Dab-Dab the Duck and permanently hungry Gub-Gub the pig, sets forth on a mission to heal illness, spread compassion and gain a greater understanding of the animal kingdom.

Tickets to see Illyria perform normally cost in the mid-teens for adults with concessions for children but at Baysgarth Park there is no charge for admission.

Organised by Barton's Tourism Partnership and supported by Barton Town Council, Barton Rotary and Barton Lions, all you have to do is bring a chair, a picnic and a friend! Refreshments will also be available at Baysgarth House Museum to raise funds.

The Performance in the Park season began on July 1 with The Pantaloons production of Oscar Wilde favourite, The Importance of Being Earnest. Once again the performance was free of charge and held in Baysgarth Park.

A funny, much-loved and exciting adventure, with a strong message about responsibility towards animals and the environment, this show is created by the same Illyria team who brought you an entire menagerie of animal puppets in DANNY THE CHAMPION OF THE WORLD and a life-size T-Rex in THE LOST WORLD.

The show is suitable for cheeky monkeys aged 5+.

Dog Control issues

What are North Lincs Council doing to stamp out dog fouling?

They will try to secure prosecutions against irresponsible dog owners who do not clear up after their pets in public areas. Therefore to help stamp out dog fouling, do you:

- have any problems with dog mess where you live?
- know of any dog owners who do not comply with the

- Dog Control Order?
- have any idea what time of day the problem is occurring so that they could visit the area at the time?

What are Dog Control Orders (DCOs)?

North Lincolnshire Council have adopted DCOs, as follows:

- Failure to remove dog faeces
- Permitting a dog to enter land from which dogs are excluded
- One person taking more than four dogs onto land
- An A to Z index of Dog Control orders. Maps of the land covered by the DCOs can also be viewed at council Local Link offices

Anyone found breaking a DCO can be issued with a £80 fixed penalty notice (fine) or prosecuted, Further details at www.northlincs.gov.uk/planningandenvironment/environmentalcrime/dogcontrol/dogcontrolissues

LIONS CLUB OF BARTON UPON HUMBER

Serving the community since 1970

Cheers!

A massive thank you to all that came to our 22nd Annual Barton Beer Festival at the beginning of June.

The festival is our biggest fundraising event on our calendar and all Lions, family and friends help make this the success it is. Of course it wouldn't be a success without you and our sponsors and for that we must say thank you. This article was produced before the event but we are sure that this will be a success and will continue to be for many years.

Barton Bike Night

Saturday 14th July will be a huge evening for the town. Barton Lions will be serving hot food on King Street, so come down and pay us a visit.

We will also be helping as marshals around the town so hopefully all will have a good night.

We wish the organising committee the very best and as always, our support.

Barton Lions Club serves you. We attend many events helping out where we can, marshaling and catering, such as the Rotary Humber Bridge Marathon and Picnic in the Park. All we raise is for charity so we can donate to deserving causes. Thank you for your support.

Humber to the Wash, the biennial Open Exhibition organised and held at Barton upon Humber's The Ropewalk has this year attracted a record number of entries.

More than 100 artists have submitted work for the exhibition which runs from Saturday, June 16 to Sunday, September 2 and is open to any artist living in East Yorkshire, Hull, North Lincolnshire, North East Lincolnshire, Lincolnshire and Norfolk and working in any medium.

The gallery's Exhibition Officer Richard Hatfield said he was really pleased with the reception from artists the summer exhibition has had.

"This year the number of entries for selection is up by one-third to just under 300 and I am delighted that a lot of artists are entering for the first time," he went on.

"The exhibition is open to all media and this year we have received sculpture, prints, paintings and jewellery."

There will be a Selectors' Prize of £400 to be presented at the opening of the exhibition as well as a further prize of £100 that will be presented by the Ropewalk.

This year another prize of £100 will be presented to the entry that over the length of the exhibition receives the most public votes.

The exhibition is being held in the Artspace, Gallery One and Box Gallery and as with all other exhibitions at The Ropewalk there is no charge for admission.

News from the South Bank Players:

In March the South Bank Players entered two plays in the regional round of the All England Theatre Festival. This was held at the Spa Theatre in Bridlington and provided a great opportunity for our members to act on a professional stage.

The junior group performed 'Miss is Missing' by member Jeanine Guy which was about what happens when Miss doesn't turn up for rehearsals. This was the first performance by our newly re-formed youth group, and the youngsters did us proud. Their play was nominated for three awards: best lighting, best sound and the adjudicator's award.

The adults performed 'Shelter From the Bombs' by member Martin James, which was set in an underground bunker in Hull during the second world war. The cast included some new members who were performing for the first time, and we were thrilled to go home with a clutch of awards. The award for best actor went to Ian Neve, Jeanine Guy took best actress, and the play won first place in the adult section.

The Barton Ghost Walk season finished at the end of March and will begin again on Halloween as usual. We recommend booking for this one as it can get very busy. Tickets cost £5/3 and can be reserved by calling Dennis on 01469 531003. The walk begins at Baysgarth House Museum in Barton at 7.30pm prompt and lasts around an hour and fifteen minutes. There will be further walks on the last Wednesdays of November, January, February and March.

Our next production will be the annual pantomime, 'Snow White and the Six and a Half Dwarves' which will be performed at the Joseph Wright Hall on December 6th - 8th. Put the dates in your diary and look out for further details nearer the time!

Both the junior and adult groups are always open to new members, whether you want to be on the stage, backstage, front of house, or help out with the technical aspects of a show. To find out more visit our website or call either Jeanine on 07879 777262 or Liz on 07539 755531

Live Music Now 'Songs and Scones'

sessions will be running on a regular basis in Barton Upon Humber throughout 2018 and into 2019. Songs and Scones sessions begin with an hour of live musical performance, followed by a serving of tea, scones and cakes. The sessions are open to all and are especially welcoming to older people including those who are living with dementia and their carers. The concerts start at 2pm and are free to all. The next two concerts in Barton upon Humber are Thursday 28 June – when the popular folk band Maia will be appearing and Thursday 20 September when the concert will be performed by the harpist Elfair Grugg Dyer.

Recent work enhancing Barton upon Humber's Baysgarth Park has been recognised by the town's Civic Society.

At a recent meeting of Friends of Baysgarth Park, chair Cllr Paul Vickers received a Civic Society Good Mark from the Society's vice-chair Jo Mulhearn.

The Good Mark was in recognition of the first phase of enhancements for the park which began in the early autumn of last year and included seeing a new two-metre wide footpath created around the perimeter of the park, as well as work to enhance other footpaths in the park which borders Brigg Road, Preston Lane and Caistor Road.

"I'm delighted that the efforts of the Friends of Baysgarth Park has been recognized by the Civic Society," said Cllr Vickers. "The footpaths, information boards and the Chad Varah Memorial Garden, are just the first phase of improving the park for all its users."

"Future projects include a park-keeper, CCTV cameras for the safety of park users and to protect the park's assets, improvements to, and an extension of, the car park and installing an external electricity supply to support the free summer family theatre performances and other annual events."

"Our ultimate aim is to secure the prestigious Green Flag status for the park," he went on.

**In the current financial year funding has been received from North Lincolnshire Council,
funding body WREN, SSE, Barton Town Council, Tesco and AVIVA.**

Household Emergency Plan

Many emergencies will affect essential services and possibly disrupt your ability to travel or communicate with each other. Get your family or household together and agree on a plan. Complete the following and keep safe should you need to use the information contained in it

If you find yourself in the middle of an emergency, your common sense and instincts will usually tell you what to do. However, it is important to:

- ◆ Make sure 999 has been called if people are injured or if there is a threat to life
- ◆ Not put yourself or others in danger
- ◆ Follow the advice of the emergency services
- ◆ Try to remain calm and think before acting, and try to reassure others
- ◆ Check for injuries - remember to attend to yourself before attempting to help others

If you are involved in an accident but are close by or believe you may be in danger, in most cases the advice is:

GO IN, STAY IN, TUNE IN

To prepare for an emergency you should take time NOW to:

- ◆ Make a fire action plan so that everyone in your home knows how to escape if there is a fire
- ◆ Fit smoke alarms on each level in your home. Keep them free from dust and test them once a week
- ◆ Prepare an emergency box
- ◆ Know where and how to turn water, gas and electricity supplies in your home
- ◆ Familiarise yourself with the emergency procedure for your children at school
- ◆ Familiarise yourself with the emergency procedure at your workplace
- ◆ Agree how your family will stay in contact in the event of an emergency
- ◆ Find out if you have any elderly or vulnerable neighbours that may need your help in an emergency
- ◆ Find out how to tune into your local radio station
- ◆ Know the contact details for your insurance company
- ◆ Ensure your property has adequate flood defences
- ◆ Find out if you are in a Flood Risk Area. Check NOW by calling 0845 988 1188 or visiting www.environment-agency.gov.uk If you are in a flood risk area you should sign-up to the free warning service offered by the Environment Agency. They will also be able to give you lots of useful information such as how to protect your property from a flood.

For information on how to prepare for an emergency visit your local emergency planning website at <http://www.heps.gov.uk>
