

**BARTON - UPON - HUMBER TOWN COUNCIL**  
**MINUTES of a PLANNING COMMITTEE MEETING held in the Committee Room on**  
**Monday 16<sup>th</sup> August 2021 at 6pm**

Councillor N Pinchbeck Chairman

Councillors Mrs A Clark, Mrs C Patterson and Mrs C Thornton, N Jacques, K Vickers (18.40)

In attendance: Ms T Broughton (Town Clerk) 4 members of the public and Representatives from Banks Group

Banks Group attended the meeting via Teams and gave a presentation to attendees. In this presentation they explained the history of their organisation and then to the process that they have taken to consult with the community in relation to the proposed 400 home development that has been publicised. Community benefit is a priority to Banks group and a full explanation as to why they are looking at the more desirable greenfield sites in the area. It was also recognised that there is the possibility to work with landowners on the proposed relief road. It was stated that the proposed application would be up to 400 houses and this would be the limit. Over the next few weeks many avenues of consultation will be carried out to include virtual and in person as well as leaflet drops and contact by website and social media platforms. It was explained that a site outside the development boundary would be a better site for the distribution of traffic and transport in a more sustainable way. A formal planning application will be submitted Autumn/Winter 2021/22.

Questions were asked around the impact on health services in particularly dentistry which is so far stretched at present. Banks Group agreed to contact health providers to include dentistry and set up communication lines to discuss an increase in provision.

Affordable housing has been allocated for in the proposed development and sustainable traffic links to include encouragement of bus links. With regards to inadequate sewage Banks Groups explained that they would not be successful in gaining planning permission if their sewage connections were not adequate for the size of the development.
