USING THE BUS

Your guide to travelling safely

Keep a safe distance apart from people not in your household while you are waiting for the bus to arrive

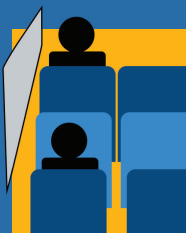

Look out for 'bus full' signs on the front of the bus. If shown, you will not be allowed to board

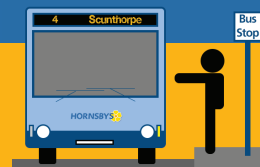

Please pay by contactless for your fare if possible.

If you can't, please have the correct change for your journey

Please give the driver space by not standing or queuing in the aisle area of the bus

Choose a window seat, avoid standing and leave space in front and behind you

The bus will only stop when people want to get off or there is enough space on board

If the bus stops, we will only be able to let one passenger on for each one that gets off

Please remember that you must wear a face covering when travelling on public transport. Thank you.

We make sure our buses are cleaned and sanitised regularly for your safety
